

February 9, 2024

Dear Scappoose School District Community,

Scappoose School District is excited to share an important update regarding Warren Elementary's contact information. **Starting March 4, 2024, the new phone number will be 971-200-8001.**

This change results from the need to update Warren Elementary phones to be supported by internet phone lines. This will help to streamline communication and enhance efficiency in our school's operations. Howard S. Wright Construction graciously donated the gently used and new-to-SSD phones to help make this transition possible. We extend our sincerest appreciation to them!

**Effective March 4, 2024, the old phone numbers will no longer be in service.** We kindly request your cooperation in updating any documentation or contact lists to reflect the new number.

If you have any questions or concerns about this update, please feel free to email [communications@scappoose.k12.or.us](mailto:communications@scappoose.k12.or.us)

Thank you for your understanding and collaboration as we work to enhance our communication channels for the benefit of the entire Scappoose School District and Warren Elementary communities.

Thanks,  
Scappoose School District and Warren Elementary
